MEBİ

Temel Eğitim MEBİ Komisyonu tarafından hazırlanmıştır.

1. Sarah invites her friends to her birthday party on Saturday. Here are her friends' responses and a list of reasons with one extra:

Responses

Mark : I'd love to come, but I have to help my father in the garden then.

Jane : That sounds awesome, but I'm going to go to the cinema with my friends.

Kevin : I'm sorry, I can't make it. I must finish my science project for Monday.

Reasons

I. To celebrate someone's birthday

II. To study for a lesson

III. To support his/her dad

IV. To see a new movie

According to the information above, which of the following shows the correct match?

A)

Friends	Reasons
Mark	III
Jane	IV
Kevin	II

B)

Friends	Reasons
Mark	I
Jane	II
Kevin	III

C)

Friends	Reasons
Mark	II
Jane	I
Kevin	IV

D)

Friends	Reasons
Mark	III
Jane	I
Kevin	II

2. **Rachel** : Hi, Tina. Are you free on Saturday afternoon?

Tina : Hello, Rachel. Why are you asking?

Rachel : We are organising a picnic in the park with our friends at 2 p.m. Would you like to join us?

Tina : Thanks for inviting me, but I have to visit my grandparents until 4 p.m.

Rachel : No problem. Maybe next time.

According to the conversation above, Tina - - - - .

A) accepts Rachel's invitation

B) refuses the invitation with an excuse

C) invites Rachel to a picnic at the weekend

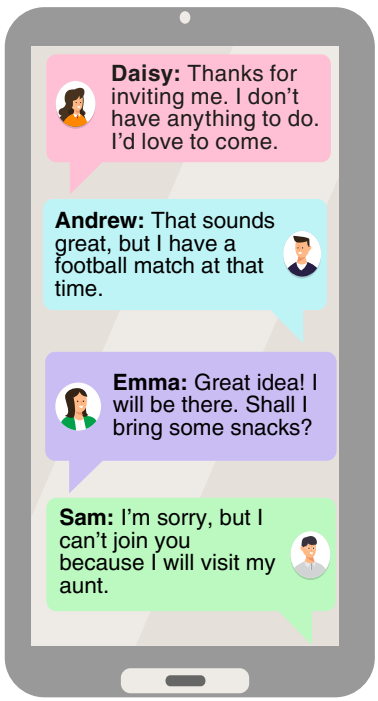

D) asks for a detail about the event

3. David's close friend, John, invites him to a bowling event on Sunday. David wants to join the event, but he has to visit his grandparents on the same day. So, David sends him a message to apologize and explain the reason.

According to the information above, which of the following CAN be David's message?

A) It'd be nice, but I can't make it because I will visit my relatives.
B) Thanks for inviting me. I'd love to, but I can't make it.
C) I'm sorry, but I have an important exam on Monday.
D) Great idea! I really enjoy bowling. I'll definitely be there.

4. Mia invites some of her friends to a concert on Friday evening. Here are their messages:

According to the messages above, which of the following is correct?

A) Daisy doesn't accept the invitation and gives an excuse.
B) Andrew refuses the invitation because he'll eat out with his buddies.
C) Emma won't attend the event because she's busy on that day.
D) Sam can't join the event because he has another plan.

5.
Amy : We are organising a slumber party on Saturday night. Would you like to join us?
Clara : I'd love to, but I can't. My cousins are coming over that night.
Amy : No problem. Maybe next time.

According to the conversation above, which of the following is correct?

A) Amy accepts the invitation.
B) Clara invites her friends to a party.
C) The party is going to be in the afternoon.
D) Clara refuses the invitation with an excuse.

6.

Which of the following does NOT have an answer on the invitation card above?

A) Where is the party going to take place?
B) How can Mandy's friends get extra information?
C) How many friends are going to attend the party?
D) What activities are they going to do at the party?

7. Friendship is very important for everyone, but being a true friend is not always easy. To be a good friend, you should always tell the truth and keep your friends' secrets. You should also support them when they are in trouble. If you have a problem, you should talk and solve it together instead of arguing. Remember, a true friend is like a brother or sister.

What is the text above about?

A) Different types of teenagers' hobbies
B) Reasons for arguing with friends
C) Organising a party with friends
D) Tips for being a good friend

8. Below you see some of Nina's preferences:

I like doing sports.
I enjoy being with friends outdoors.
I dislike watching movies at home.
I hate going to shopping malls.

According to the information above, which of the following would Nina accept?

A) How about playing volleyball in the park on Saturday?
B) Let's go to the shopping centre after school.
C) Would you like to watch a film at my house tonight?
D) Why don't we stay home and play video games?

9. Clara likes spending time with her friends. Here are some of her friends' hobbies:

- Tony likes chatting online.
- Dennis enjoys going to concerts.
- Andy loves playing board games.
- Chris prefers watching movies at home.

Which picture shows an activity Clara can do with one of her friends above?

A)

B)

C)

D)

10. A researcher asked 100 teenagers about the qualities of a “true friend.” Here are the results of the survey:

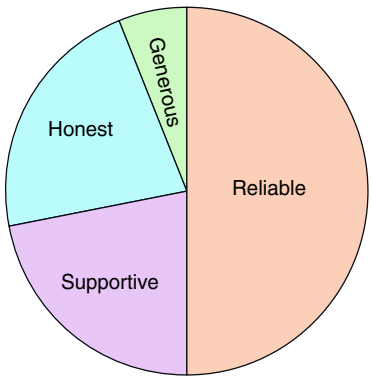

- Half of the teenagers think a true friend must be reliable.
- Only a few teenagers think a true friend should be generous.
- The same number of teenagers prefer supportive and honest friends.

According to the results above, which of the following charts is correct?

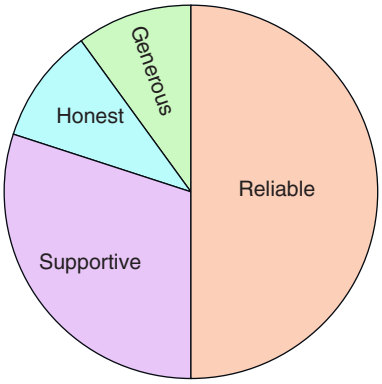

A)

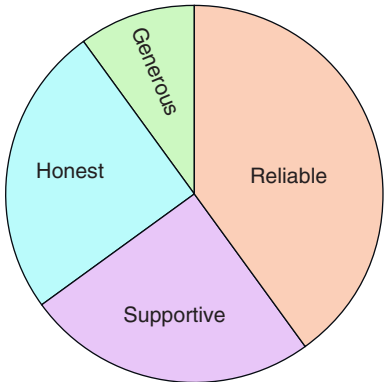

B)

C)

D)

11. Below, there is some information about four friends' weekend plans.

- Oliver refuses an invitation to go to the cinema because he has to study for an English exam.
- Harry suggests going to a rock concert at the weekend.
- Emily accepts an invitation and wants to spend time outdoors.
- Sophie invites her friends to go to the theatre at the city hall.

According to the information above, which of the following shows the correct matching?

A)

Name	Weekend Plan
Oliver	Study English
Harry	Have a picnic
Emily	Attend a concert
Sophie	Watch a play

B)

Name	Weekend Plan
Oliver	Study English
Harry	Attend a concert
Emily	See a movie
Sophie	Watch a play

C)

Name	Weekend Plan
Oliver	See a movie
Harry	Attend a concert
Emily	Have a picnic
Sophie	Watch a play

D)

Name	Weekend Plan
Oliver	Study English
Harry	Attend a concert
Emily	Have a picnic
Sophie	Watch a play

12. Below, you see Emma's message and Eric's plan for Sunday.

Hi Eric! I'm having a movie night at my house on Sunday at 8 p.m. Would you like to join?

ERIC'S PLAN FOR SUNDAY	
10.00 - 11.00 a.m	attend music lesson
12.00 - 02.00 p.m	have lunch with mom and dad
02.30 - 04.00 p.m	study for science exam
05.00 - 07.00 p.m	go to the cinema

According to the information above, which of the following does Eric say?

A) That sounds fun, but I have to join my music course then.
B) I'd love to come, but I'm going to have lunch with my parents.
C) Great idea! I can join you after going to the movie theatre.
D) Sorry, I can't come because I have an important exam next week.

13. Friends like spending time together in different ways. Some of them enjoy watching films or playing games at home. Others prefer going out, having a picnic or meeting at a café. They also like studying together or helping each other with homework. In addition, friends often organise activities for weekends.

According to the paragraph above, friends - - - -.

A) argue with each other
B) do activities together
C) make plans for the future
D) spend time alone

14. Below, there is some information about Alex and Clara.

ALEX	CLARA
He is a reliable boy. He never shares secrets.	She is honest. She never tells lies.
He is fond of camping.	She enjoys outdoor activities like trekking.
He thinks action movies are exciting.	She doesn't like horror movies or comedies.
He prefers rock music.	She is interested in classical music.

According to the information above, what can we say about both Alex and Clara?

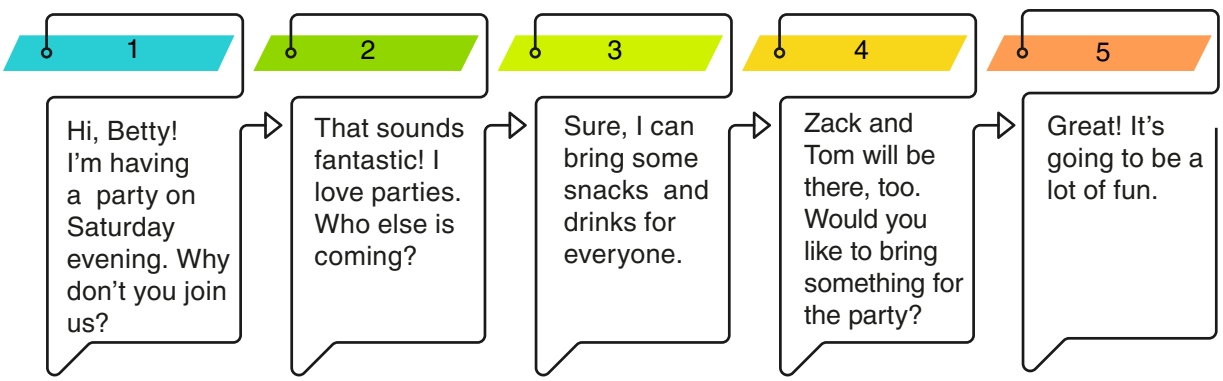

A) Both of them enjoy spending time in nature.
B) They have the same preferences in music.
C) Both of them are fond of watching funny movies.
D) They are both stubborn and selfish.

15. Betty invites her friend Susan to a movie night on Saturday. Susan cannot accept the invitation because she needs to take care of her little brother while her parents are away. So, Susan sends a message to Betty and explains the reason.

According to the text above, which of the following CANNOT be Susan's message?

A) I'd love to come, but I can't. I have to take care of my brother. I hope you have a great time.
B) That sounds awesome! I will join with my brother. Text me the time and place.
C) It is very kind of you, but I must be with my brother at home. Maybe next time.
D) Thanks for your invitation. I am sorry, but I can't join you because I must stay with my brother at home.

16. Below, the sentences of a dialogue are given out of order.

Which of the following should change places to get the correct order of the dialogue above?

A) 1 - 2 B) 2 - 3 C) 3 - 4 D) 4 - 5

17. Below, you see some information about the movie preferences of Laura, Neil, and Stacy.

- Laura thinks scary movies are exciting.
- Neil is fond of funny movies. He likes laughing with his friends.
- Stacy prefers learning about nature and wild life.

Their teacher prepared the table below, but the names of the students are missing.

Activities	1----	2----	3----
Watching a Comedy		✓	
Watching a Documentary			✓
Watching a Horror Movie	✓		

According to the information and the table above, which of the following options shows the missing names in the correct order?

	1	2	3
A)	Stacy	Neil	Laura
B)	Laura	Neil	Stacy
C)	Neil	Laura	Stacy
D)	Laura	Stacy	Neil

18. Below, you see four visuals each symbolizing a quality of a true friend.

Which of the following qualities of a friend is NOT related to any of the visuals above?

A) A true friend is generous; he/she loves sharing things and buying presents.
B) A true friend is honest; he/she never tells lies and always tells the truth.
C) A true friend is supportive; he/she always backs you up when you need help.
D) A true friend is cheerful; he/she is always positive and smiles all the time.

19. Below, there is some information about true friends and the personal qualities of four friends.

True friends should have some special qualities. A **reliable** person never tells your secrets to others. A **supportive** friend always backs you up. An **honest** friend never tells lies, and a **generous** friend likes sharing things and buying presents.

- **Amy** always tells the truth even when it is hard.
- **Jack** always helps his friends when they have problems.
- **Celine** always keeps her friends' secrets.
- **Tom** loves buying small gifts for his buddies.

According to the information above, which of the following tables is correct?

A)

Friends	Personality Qualities
Amy	Honest
Jack	Supportive
Celine	Reliable
Tom	Generous

B)

Friends	Personality Qualities
Amy	Generous
Jack	Supportive
Celine	Reliable
Tom	Honest

C)

Friends	Personality Qualities
Amy	Honest
Jack	Generous
Celine	Supportive
Tom	Reliable

D)

Friends	Personality Qualities
Amy	Generous
Jack	Supportive
Celine	Honest
Tom	Reliable

20. Your friend, Harry, invites you to a jazz concert on Saturday evening. You really like Harry, but you think jazz music is unbearable and boring. You want to refuse his invitation politely by giving a reason.

According to the information above, which of the following is your response to Harry?

A) That sounds awesome! I'll definitely be there.
B) Thanks for your invitation, but I'm not fond of jazz.
C) Sure, why not? I love all types of music.
D) I would love to join you, but I can't.

21. Below is an invitation card for a school picnic.

Which of the following is NOT correct according to the invitation card above?

A) You can play sports during the picnic.
B) The event will last for six hours.
C) You have to pay more than £15 for the food.
D) The picnic is at the weekend.

22. **Nancy** : Hello, Julian. - - - - ?
Julian : I enjoy listening to music and reading books.
Nancy : - - - - ?
Julian : Usually after school and before going to bed.
Nancy : Nice! - - - - ?
Julian : No, I don't. I prefer listening to music at home.

Which of the following questions does Nancy NOT ask Julian?

A) Do you often go to concerts
B) What kind of movies do you like
C) What do you like doing in your free time
D) When do you read books

23. The table below shows the free-time activities of four teenagers.

NAME	ACTIVITIES	FREQUENCY
Leo	Going to the gym	Every day
Mia	Watching videos about foreign countries	Twice a week
Kirk	Playing computer games	Three times a week
Eva	Trekking in nature	Only at weekends

According to the table above, which of the following is correct?

A) Leo does exercise once a week.
B) Kirk never plays games on weekdays.
C) Eva prefers indoor activities to outdoor activities.
D) Mia likes learning about different places around the world.

24. Sally is a high school student. She always wakes up early on weekdays because her school starts at 8:30 a.m. She usually goes to school by bike. After school, she takes cooking classes because she loves learning new recipes. She often prepares dinner for her family. In the evenings, she does her homework and joins online courses. She rarely watches TV because she thinks it is a waste of time. She never eats junk food because she prefers a healthy lifestyle.

Which of the following is NOT mentioned in the text above?

A) Daily routines
B) Favourite recipe
C) Eating habits
D) How to get to school

25. Being a teenager is not just about going to school and doing homework. It is important to have interests that make you feel happy. Some teenagers prefer being alone and doing individual activities like playing an instrument or designing clothes. Others are more energetic and love outdoor activities like trekking. However, you should always choose activities that you find fascinating, not the ones that others think are trendy. Remember, your activities should reflect your own personality.

What is the text above about?

A) The importance of doing homework on time
B) Popular music types among teenagers
C) Suggestions for choosing personal hobbies
D) How to be successful at school subjects

26. Sally, Brian, Wendy, and Mike attend different after-school activities. One of them attends a cooking class at 4:00 p.m., while another plays soccer at 5:30 p.m. The third attends a music class at 6:00 p.m., and the last one takes an online Chinese course at 7:00 p.m.

- Sally loves learning different recipes.
- Brian doesn't like team sports; he is fond of classical music.
- Wendy takes a language course in the evening.
- Mike is an energetic boy and he is in the school football team.

According to all the information above, which of the following is correct?

A)

Name	Time
Sally	4:00 p.m.
Brian	6:00 p.m.
Wendy	7:00 p.m.
Mike	5:30 p.m.

B)

Name	Time
Sally	5:30 p.m.
Brian	4:00 p.m.
Wendy	6:00 p.m.
Mike	7:00 p.m.

C)

Name	Time
Sally	4:00 p.m.
Brian	7:00 p.m.
Wendy	6:00 p.m.
Mike	5:30 p.m.

D)

Name	Time
Sally	4:00 p.m.
Brian	6:00 p.m.
Wendy	5:30 p.m.
Mike	7:00 p.m.

27. Paul is an energetic teenager. He loves being in nature because he is fond of outdoor activities. He finds rock music impressive, but he can't stand jazz. He is a bookworm and he usually goes to the library after school.

Below, you see some information about Paul's classmates:

Alice
- Fond of classical music
- Dislikes spending time in nature
- Enjoys staying at home

Liam
- Keen on trekking and camping
- Thinks rock music is terrific
- Loves reading books

Susan
- Rarely goes to the library
- Interested in fashion and trendy clothes
- Finds rock music unbearable

Kendall
- A member of the school music band
- Never reads books or magazines
- Prefers listening to jazz the most

According to the information above, who has the most interests in common with Paul Paul?

A) Alice
B) Liam
C) Susan
D) Kendall

28. Below, you see a youth camp poster.

Which of the following is NOT correct according to the poster above?

A) You can do different types of outdoor activities at the camp.
B) The camp lasts for one week in July.
C) If you are twenty years old, you can join the camp.
D) You don't have to pay extra money for the equipment.

29. Rylie loves playing musical instruments and wants to join a music course. She is free after 5 p.m. on weekdays and on Saturday mornings. She has ₺2800 for the course.

According to the information above, which course should Rylie choose?

A) **Guitar Course**
Time : 6-8 p.m.
Day : Monday and Wednesday
Price : ₺2700

B) **Violin Course**
Time : 3-5 p.m.
Day : Tuesday and Thursday
Price : ₺2500

C) **Violin Course**
Time : 7-9 p.m.
Day : Friday and Sunday
Price : ₺3000

D) **Guitar Course**
Time : 2-4 p.m.
Day : Saturday
Price : ₺2800

30. The table below shows some friends' opinions about four different free-time activities.

Activities	Nora	Terry	Zack
Surfing the Internet	Unbearable	Ridiculous	Awesome
Reading stories	Impressive	Great	Boring
Doing team sports	Amazing	Unbearable	Fun
Following fashion	Terrible	Terrific	Awful

Which of the following is correct according to the table above?

A) Nora is interested in going online and playing team sports.
B) All of the participants are fond of wearing trendy clothes.
C) Zack prefers spending time keeping up with the latest trends.
D) Both Nora and Terry are crazy about reading stories.

31. Below, there is some information about Dennis, Mary, Edgar, and Elisa.

Dennis, Mary, Edgar, and Elisa are planning to meet on Saturday. One of them likes music events and goes to a concert, while another is fond of comedy and goes to the theatre. The third loves nature and goes for a nature walk. The last one needs to buy clothes and goes shopping.

- Dennis doesn't like being indoors.
- Mary wants to see a play and laugh.
- Edgar has an invitation for a rock band's performance.
- Elisa is looking for a new dress for her graduation party.

According to the information above, which of the following tables is correct?

A)

Friends	Activity
Dennis	Concert
Mary	Theatre
Edgar	Shopping
Elisa	Nature Walk

B)

Friends	Activity
Dennis	Nature Walk
Mary	Shopping
Edgar	Theatre
Elisa	Concert

C)

Friends	Activity
Dennis	Nature Walk
Mary	Theatre
Edgar	Concert
Elisa	Shopping

D)

Friends	Activity
Dennis	Shopping
Mary	Nature Walk
Edgar	Concert
Elisa	Theatre

32. The table below shows Lily and Sam's likes and dislikes.

	Going hiking	Listening to live music	Writing a blog	Surfing the Internet
Lily	☺	☹	☹	☺
Sam	☹	☺	☺	☹

Which of the following is correct according to the table above?

A) Lily enjoys going to concerts and keeping a blog.
B) Sam prefers spending time in nature to going to concerts.
C) Lily is keen on going online, but Sam isn't.
D) Both Sam and Lily like keeping a blog and going online.

33. **Liam** : I usually hang out with my friends in my free time. When the weather is good, we go hiking or camping. Sometimes, we go fishing near the river. I love spending time with my friends because we have a good relationship.

Abby : When I don't go to school, I spend time at home. I read books, watch TV, and play online games. Sometimes, my friends come over and we watch movies together.

Helen : I think teenagers should do sports regularly and read every day. Walking is fun and healthy. Reading books helps us learn new things.

Which of the following is NOT correct according to the speeches above?

A) Helen thinks that teenagers should spend all their free time online.
B) Abby prefers spending time at home when she doesn't go to school.
C) Liam is fond of doing outdoor activities with his friends.
D) Abby sometimes watches movies with her mates at home.

34. **Nancy** : What do you usually do after school, Bratt?
Bratt : I arrive home, chat with my friends online, and have a rest.
Nancy : Do your friends come over?
Bratt : Yes, they do. We watch new movies together.
Nancy : Do you like outdoor activities like cycling or skating?
Bratt : Not really. I prefer staying at home.

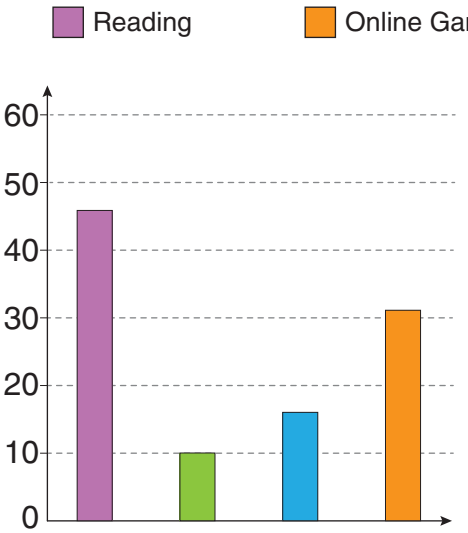

Which of the following does NOT have an answer in the conversation above?

A) What does Bratt do at home?
B) How does Bratt spend time with his buddies?
C) Does Bratt prefer doing outdoor activities?
D) How often does Bratt ride his bicycle?

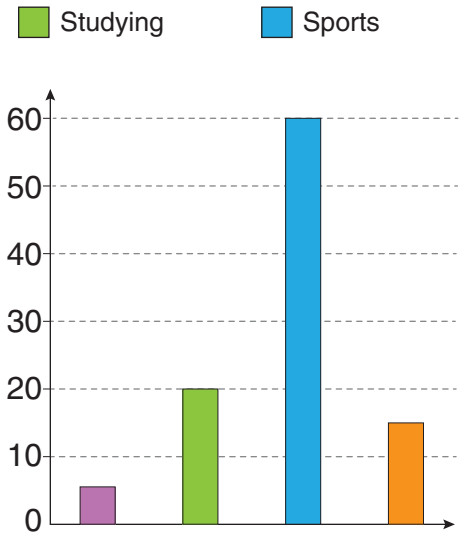

35. David is a high school student and he has a weekly schedule. According to his routine, he spends most of his time studying and doing his homework. He thinks physical exercise is very important, so doing sports comes second in his schedule. He also enjoys playing online games, but he spends less time playing them than doing sports. He rarely reads books; he spends only a very small part of his week on it.

According to the information above, which of the following charts shows David's weekly schedule correctly?

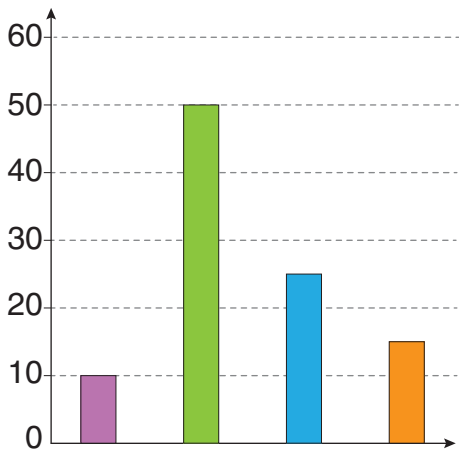

A)

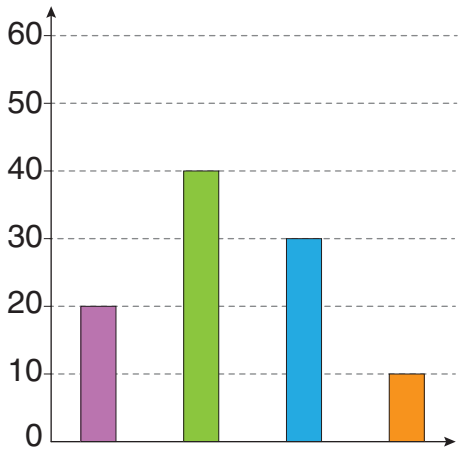

B)

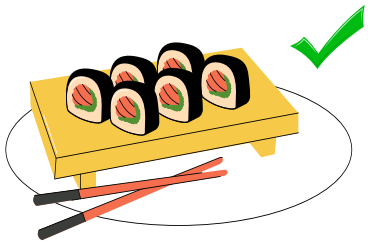

C)

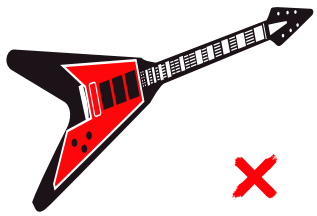

D)

36. Look at the four pictures below. Each picture shows Jack's opinion about an activity.

According to the pictures above, which of the following is NOT correct?

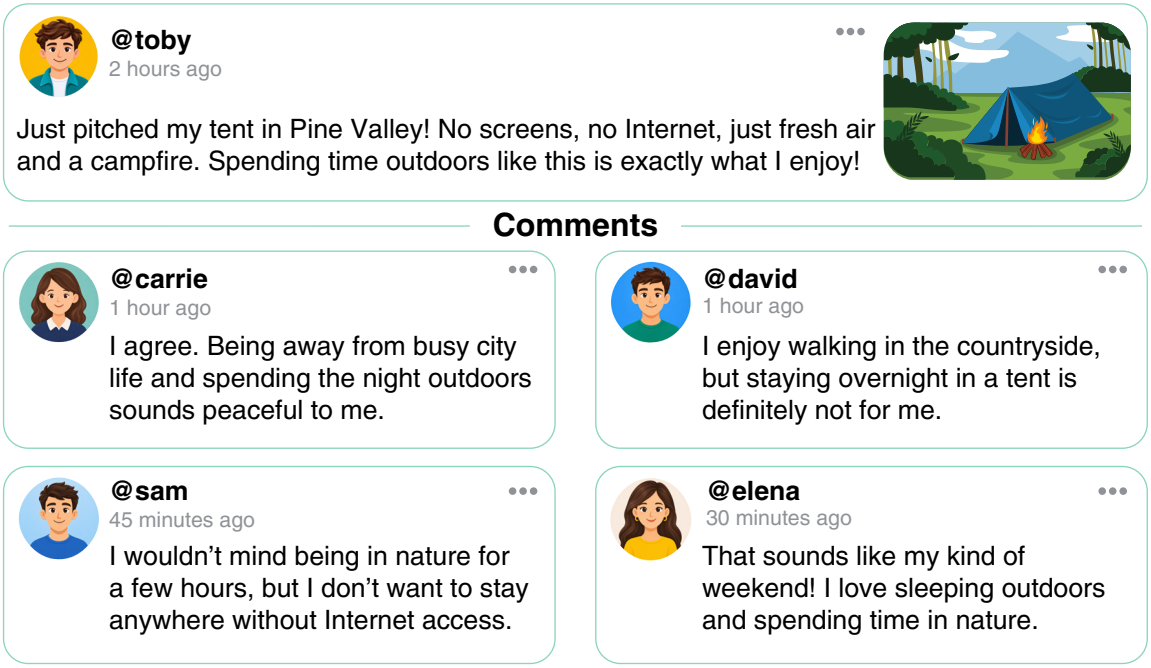

A) Jack is fond of martial arts, so he never misses karate classes.
B) Jack thinks Japanese food is delicious and he loves eating sushi.
C) Jack is keen on rock music because he thinks it is very trendy.
D) Jack dislikes doing housework, especially doing the laundry.

37. Teenagers have different preferences for music. Some of them find rock music terrific, while others think it is unbearable. For example, Tom loves hip-hop because it makes him feel wonderful. Diana, however, prefers classical music. Katy is fond of rock music but she never listens to jazz. In short, teenagers choose their music according to their own styles.

According to the paragraph above, teenagers are ----.

A) only interested in classical music
B) fond of listening to the same types of music
C) successful at playing musical instruments
D) interested in different types of music

38. Toby shared a social media post and here are the comments:

@toby
2 hours ago

Just pitched my tent in Pine Valley! No screens, no Internet, just fresh air and a campfire. Spending time outdoors like this is exactly what I enjoy!

Comments

@carrie
1 hour ago
I agree. Being away from busy city life and spending the night outdoors sounds peaceful to me.

@david
1 hour ago
I enjoy walking in the countryside, but staying overnight in a tent is definitely not for me.

@sam
45 minutes ago
I wouldn't mind being in nature for a few hours, but I don't want to stay anywhere without Internet access.

@elena
30 minutes ago
That sounds like my kind of weekend! I love sleeping outdoors and spending time in nature.

According to the comments above, which two users have similar opinions to Toby?

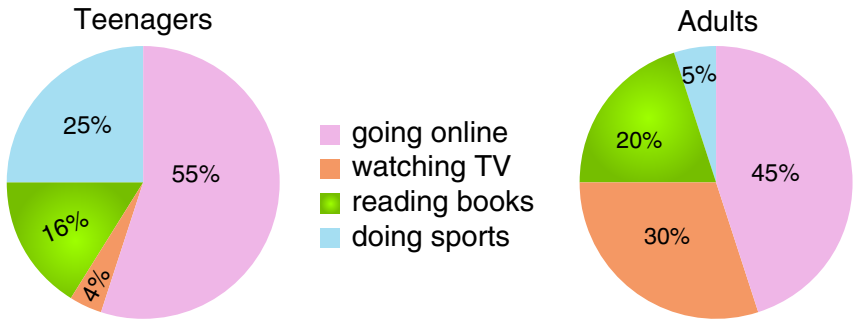

A) Carrie and David
B) Carrie and Elena
C) David and Sam
D) Sam and Elena

39. Lenard is crazy about swimming. He is a successful professional swimmer. He gets up at 6 a.m. every morning and has a healthy breakfast. Then, he goes to the pool and swims for two hours. On Tuesdays and Thursdays, he goes to the gym to lift weights in the afternoon. On Sundays, he doesn't train; he spends time with his family and rests.

Which of the following is NOT correct according to the text above?

A) Lenard starts his day early in the morning.
B) Lenard trains in the gym every day of the week.
C) Lenard eats a healthy breakfast before swimming.
D) Lenard spends his Sundays resting with his family.

40. The charts below show the results of a survey about the free-time activities of teenagers and adults.

Which of the following is correct according to the charts above?

A) Adults prefer relaxing in front of the TV less than teenagers.
B) Exercising is more popular among teenagers than adults.
C) Teenagers spend most of their free time reading books.
D) Surfing the Internet is the least popular activity for both.

41. **Mia** : - - - -, Tina?
Tina : It is baked chicken.
Mia : - - - - ?
Tina : We need some chicken, potatoes, tomatoes, mushrooms, and peppers.
Mia : - - - - ?
Tina : First, dice the vegetables. Then, put the chicken into a baking tray and add the vegetables. After that, pour some oil over the chicken and the vegetables and add some salt and spices. Finally, bake the chicken in the oven.

According to the dialogue above, which of the following CANNOT be one of Mia's questions?

A) How do you prepare it
B) What is your favourite food
C) How can I serve the meal
D) What are the ingredients

42. Fiona wants to make a healthy meal for her family. She has some meat, two potatoes, one onion, two tomatoes, and some spices. First, she chops all the vegetables. Then, she puts the meat on a baking sheet and adds the vegetables. After that, she pours some oil over the mixture and sprinkles some salt and spices. Finally, she bakes the meal in the oven for about an hour.

According to the text above, Fiona puts the meat on the baking sheet after - - - - .

A) adding some salt and spices
B) cutting all the vegetables into small pieces
C) putting some oil on the mixture
D) baking the meal in the oven

43. Four friends share their eating habits.

Linda

I always drink milk and eat cheese for breakfast.

Philip

I never eat food with sugar because it is unhealthy.

Gloria

I like eating grilled fish with salad.

Roy

I usually have a hamburger for lunch because I don't have much time.

Which of the following is NOT correct according to the people's eating habits above?

A) Linda prefers a healthy drink for breakfast.
B) Philip always has sweet things after meals.
C) Gloria enjoys eating seafood with vegetables.
D) Roy eats fast food because it's quick.

44. Diana, Wilma, and Paige want to have lunch at a restaurant together. However, they have different food preferences. Diana doesn't like eating fast food. Wilma is crazy about red meat. Paige dislikes spicy food and never eats vegetables. They all love desserts.

According to the text above, which of the following restaurants is suitable for all of them?

A)

B)

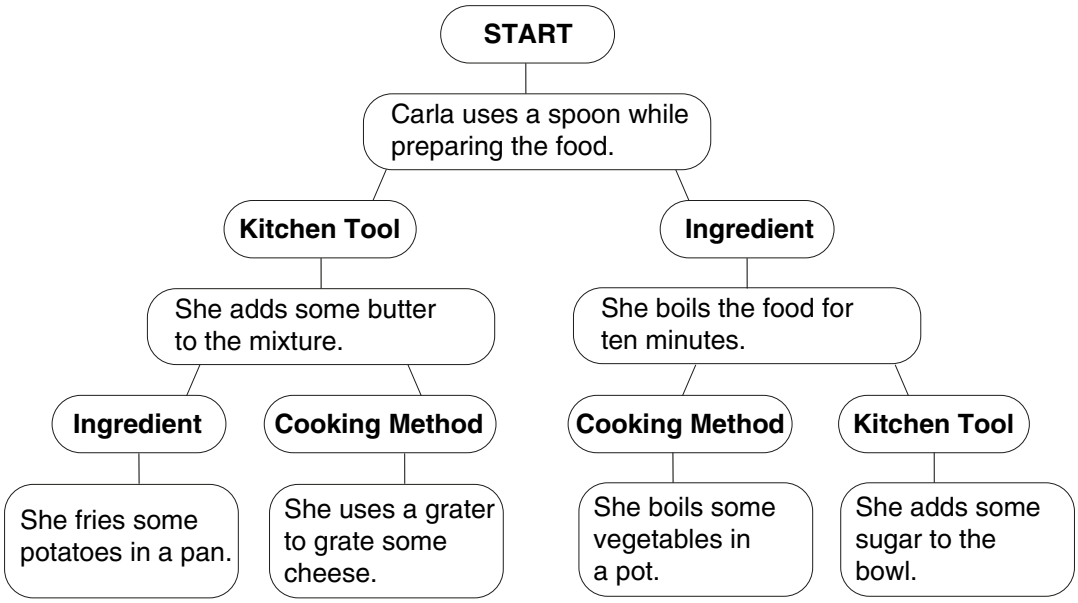

C)

D)

45. Luke is playing a word game. He should follow the path and choose the correct picture to finish the game.

According to the table above, which picture shows the sentence Luke reaches at the end of the game?

A)

B)

C)

D)

46. Below is a poster for a cooking course.

COOKING MASTERS COURSE

- Do you want to learn how to cook traditional Italian food?
- Are you ready for a 4-hour cooking adventure?
- We will prepare fresh pasta, vegetable soup with carrots and tomatoes, and pudding.
- **Date:** Sunday, April 12th
- **Price:** ₺450 per person (Everything is included!)

COOK WITH LOVE

Which of the following is NOT correct according to the poster above?

A) The workshop lasts four hours at the weekend.
B) You have to pay extra money for the ingredients.
C) You can learn how to make a dessert at the course.
D) You will use two different vegetables to make the soup.

47. **Ally** : I always prefer fresh vegetables because they are - - - -.

Which of the following does NOT complete any of the sentences above?

A) spicy B) cuisine C) healthy D) desserts

48.

My name is Emily. My family and I have different tastes. I love eating desserts like chocolate cake or baklava. My brother, Max, is different. He likes having a lot of red pepper in all his meals. My mother prefers healthy salads with plenty of lemon juice. My father never eats anything with too much salt.

Which of the following is NOT mentioned in the text above?

A) Spicy B) Sour C) Oily D) Sweet

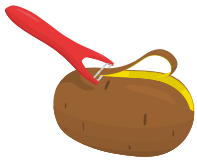

49.

Hi, I'm Chef Alice. To make a delicious vegetable soup, first wash the onions, carrots, and potatoes. Second, peel the vegetables. Then, chop them into small pieces. Finally, boil all the ingredients in a large pot.

Which of the following activities does Chef Alice NOT talk about?

A) 

B) 

C) 

D) 

50. Four friends are preparing different dishes in the kitchen, but they need to use the right kitchen tools for their recipes. Here are their statements and the pictures of the kitchen tools:

Cameron	I'm making a delicious chocolate cake for my brother's birthday. The mixture is ready and the oven is hot.
Tucker	I'm making some pasta for dinner. It is cooked now, but I need to pour the hot water out of the pot.
Linda	I want to make a healthy omelette for breakfast. I need to mix the eggs and the milk together very well.
Myra	I'm preparing a fresh vegetable salad for lunch. I need to chop some carrots and onions on the cutting board.

I 

II 

III 

IV 

According to the information above, which of the following matching is correct?

	Cameron	Tucker	Linda	Myra
A)	II	IV	I	III
B)	III	IV	I	II
C)	III	IV	II	I
D)	II	IV	III	I

51. Liam, Sophia, and Oliver are preparing some food in the kitchen. The table below shows their responsibilities. However, their names are missing from the table.

- Liam is making desserts and sweet snacks.
- Oliver is using healthy cooking methods; he rarely fries or grills the food.
- Sophia is responsible for the preparation process like cutting and dicing vegetables.

	1 - - - -	2 - - - -	3 - - - -
Steaming the vegetables			✓
Peeling the potatoes		✓	
Baking a strawberry cake	✓		
Chopping the onions		✓	
Boiling the chicken			✓

According to the information and the table above, in which of the following options are the missing names in the correct order?

	1	2	3
A)	Liam	Oliver	Sophia
B)	Sophia	Liam	Oliver
C)	Liam	Sophia	Oliver
D)	Oliver	Sophia	Liam
